Join us for our annual meeting and luncheon on Sunday  
October 21 at Hendrick's Tavern in Roslyn, from 1-4 PM

*Our program will feature:*

***"Dancing into History with the Castles"***

*Irene and Vernon Castle were America's leading  
dance couple in the 1910s who popularized the fox trot,  
tango and other social dances at "Castles by the Sea"  
on the Boardwalk in Long Beach, Long Island.*

*Dance historians Martha Griffin and Marc Casslar, who are members of the  
Vintage Dance "Polite Society," will introduce us to these celebrities who lived in  
Manhasset. They will demonstrate their dances in period costume and explain the  
significant contributions of the Castles to dance history. Their program is brought to  
you by Kandie Carle of K&C Enterprises, East Haddam, CT.*

We are looking forward to a very special afternoon commemorating this  
legendary couple who brought charm and much joy to society with their innovative  
elegant social dances at magnificent dance palaces. Fred Astaire and Ginger Rogers  
immortalized them in their 1939 film *The Story of Vernon and Irene Castle*. We will  
have music from the 1910s for your listening and dancing pleasure.

**Hendrick's Tavern**, formerly the George Washington Manor Restaurant, has  
been beautifully renovated. It was the home of Hendrick Onderdonk when President  
George Washington visited on his tour of Long Island in 1790. A plaque from our  
Society by the front door attests to this history.

**The menu** includes a choice of: chicken paillard; seared salmon over garden salad;  
sliced steak sandwich with salad or French fries; omelet with spinach, tomatoes, and  
cheddar or plain, with salad or French fries; or vegetarian pasta primavera. Dessert is  
a choice of cheesecake, vanilla ice cream, or raspberry sorbet. Soda, iced tea, coffee,  
or tea is included and a cash bar is available.

Please make your check payable to: **Nassau County Historical Society.**
